-  Reading
-  Video Games

Currently studying digital sciences at ENSEEIHT. I am looking for a job in the field of software development in order to use the skills I have acquired over both of my formations and what I developed by myself.

## Compétences

- Calm under pressure 
- Adaptable 
- Listening to colleagues 

## Compétences informatiques

- HTML5/CSS3 
- JavaScript/JQuery 
- MySQL 
- C++ 
- PHP 

## Expérience professionnelle

- Web Developer** juil. 2023 - août 2023  
[Alcyons, Biarritz, France](#)

I was tasked to develop the necessary services to allow a user to scan barcodes in bulk from a single camera Cognex Dataman.

- Intern in Web Development** avril 2023 - juin 2023  
[ALCYONS, Biarritz, France](#)

I was tasked to develop the web services necessary for the printing of unique labels made to help the transport of medical devices and drugs.

- Apprentice** sept. 2023 - sept. 2026  
[ALCYONS, Biarritz, France](#)

## Formation scolaire

- DUT in Computer Science** sept. 2021 - juin 2023  
[IUT of Bayonne and the Basque Country, Anglet, France](#)

A formation that goes over a lot of the aspects of Computer Science. It allowed me to develop important soft skills such as working within a group and learn a few hard skills such as Web Development.

- Engineer in Digital Sciences** sept. 2023 - sept. 2026  
[ENSEEIHT, Toulouse, France](#)
